College Events...

Some of the most exciting and enjoyable groups we have had include students. Schoolwide, Fraternity, Club, or Dorm events can be organized. Interested in interschool play, contact your student activities office or please give us a call.

Experience the Difference!

With twelve years of experience, we have been able to tailor our games to provide the most exciting time possible. Our field rental equipment is of a much higher quality than most fields. We have found that the extra investment in equipment provides for a much more enjoyable time. We also include **FREE CO2** all day, a \$6-8 savings per player!

The Facility & Games...

Our 81 Acre facility is among the largest in New England, featuring many benefits not available elsewhere. The fields are broken up into several different terrains including: **Sherwood Forest**, a field that is comprised of log and brush bunkers nestled in a pine grove, **Speedball**, a fast-action

course that combines the concepts of football and chess, and **Siege the Fortress**, an attack and defend game where the defense must simply survive! We also have several natural fields.

An onsite **bar and grille** is open for relaxing after the game with some food and refreshments or for rest room use during the day. The staging area is netted in for added safety and a pavilion is available in case of inclement weather. Parking is easily accessible from the road, with no need to bring your vehicle into the woods.

Game format is based on the field. The Speedball field offers capture the flag games which are fast and furious. The Siege field requires the attackers to storm the fortress and acquire the defenders' flag. The pine field is great for stealth and players who likes to blend in to the terrain. All games run for 10-20 minutes, to ensure that no player waits for a long period of time.

Open Games...

Anyone interested in trying the sport of paintball may come and join in on an "open day." Rentals are available and equipment owners are always welcome! Renting is a great option for those interested in purchasing equipment, because you can try it first!

Open games will run Saturdays and Sundays in Charlton from 9am - 1pm. Please call for availability, as we close the field for private games quite frequently.
